Chapel Hill, NC 27599-1350
Phone: (919) 966-3411
Fax: (919) 962-5011 or (919) 962-3352

November 3, 2020

To Whom It May Concern:

In accordance with the National Institutes of Health (NIH) notices OD-00-039 of August 25, 2000 and OD-01-061 of September 5, 2001, The University of North Carolina at Chapel Hill submits the following information concerning the education in the protection of human research participants undertaken by the key personnel involved with this project. The following persons have been trained in the ethical and regulatory requirements for protection of human research participants in compliance with NIH requirements and The University of North Carolina at Chapel Hill "Policy on Education and Certification of Investigators Involved in Human Subjects Research." <http://ohre.unc.edu/irbtraining/>

Name	Dept	Training	Date of Training
Andrew Ghio	Medicine-pulmonary	Human Subjects Research - Core Refresher	04/13/2020
Andrew Ghio	Medicine-pulmonary	CITI Group 1: Biomedical	01/26/2005

Should any additional persons come to work on this project and meet the definition of key personnel, they will be trained similarly; their names and certification of their training in the protection of human research participants will be forwarded.

Sincerely,

Andy Johns
Sr Associate Vice Chancellor, VC for Research
